A hand-drawn floor plan of a room. The room is rectangular with a total width of 1300 and a total height of 2300. The width is divided into a left section of 900 and a right section of 450. The height is divided into a top section of 1000 and a bottom section of 1300. In the top-left section, there is a rectangular area labeled '1000' and '1000' with a dashed line indicating a partition. In the top-right section, there is a rectangular area labeled '1000' and '1000' with a dashed line indicating a partition. In the bottom-left section, there is a rectangular area labeled '1300' and '1300' with a dashed line indicating a partition. In the bottom-right section, there is a rectangular area labeled '1300' and '1300' with a dashed line indicating a partition. The dimensions are written vertically and horizontally along the walls. The drawing is done in black ink on a white background.
